Thank you for supporting NYCU!

Our outstanding international students told us about their stories at NYCU. Feel free to email us your story! There are also campus report, essay sharing, and spotlights to show what NYCU has contributed to the society. At last, feel free to update your information!

Snapshots

Narasimhulu Thoti Ph.D., EECS-IGP

NYCU, especially in the semiconductor industry, offers an excellent study experience with fundamental courses taught by renowned professors. Despite being in a Chinese-speaking country, the EECS-IGP and OIA ensure courses are delivered in English. NYCU provides ample resources, including industry connections for fabrication setups and measurement tools, which I utilized during my studies.
