

[Conversation Circle] September 10, 2024

Welcome to our first Conversation Circle of the fall semester! 🎉

We're pleased to have you all with us today, and we hope you enjoyed the session and connected with fellow students! 😎

Today, we explored the Mid-Autumn Festival with a themed handout. We hope it gave you a glimpse into this traditional celebration and its customs here in Taiwan!

If there's a topic you'd love to discuss in future sessions, feel free to reach out to us!

We can't wait to see you at our next session on September 24 (Tuesday), 2024! 🤗
