[Cultural Event] Inbound Internship Cultural Trip_July 19th, 2025

Our Inbound Internship Cultural Trip was a wonderful and successful experience! 🌟🌟

In the morning, we gathered at school to share our experiences of interning in Taiwan 🌍🇹🇼. Students from different places exchanged their insights and stories about working and living here. It was a great time to learn from one another and strengthen our connections 🍷🌟.

In the afternoon, we visited the Kuo Yuan Ye Museum in Yangmei 🏰🍍. There, we explored Taiwanese pastry culture and had fun making our own pineapple cakes. Everyone enjoyed the hands-on experience and brought home their tasty creations! Thank you to all who joined and made this trip unforgettable! 🙌
