雙頻環形洩漏波及單一導體高頻模洩漏波天線

Dual band Annular Ring Leaky-wave and
Single-conductor High Order Mode
Leaky-wave Antennas

The logo of Tsinghua University is a circular seal. It features a blue gear-like outer ring. Inside the ring, there is a stylized illustration of a traditional Chinese building with a roof. Below the building, the year '1911' is inscribed. The entire seal is rendered in a light blue, semi-transparent style.
