The advertisement features a dark blue background with a grid of images showing AFM scans of various materials. The text is in white and orange. The Oxford Instruments logo is in the top right corner. The main headline is 'NEW! Asylum Research MFP-3D Infinity™ AFM' in white, with 'Unmatched Performance, Versatility and Support' in orange below it. The Oxford Instruments logo is in the top right corner, with the tagline 'The Business of Science®' below it. The advertisement highlights four key features: 'Stunning high performance' (with a blue AFM scan image), 'Simpler than ever to GetStarted™' (with a brown AFM scan image), 'Comprehensive tools for nanomechanics' (with a yellow AFM scan image), and 'Widest range of accessories for materials science and bioscience' (with a purple AFM scan image). A photograph of the MFP-3D Infinity AFM system is shown in the bottom right corner.

We report one typo error of authors affiliation. Ya-Ju Lee is currently in the Institute of Electro-Optical Science and Technology, National Taiwan Normal University, Taiwan. The main research was done when Ya-Ju Lee was in the Department of Physics, Applied Physics and Astronomy, The Future Chips Constellation, Rensselaer Polytechnic Institute. Thus the list of the by-line should be replaced by:

Ya-Ju Lee,<sup>1</sup> Shawn-Yu Lin,<sup>1,a)</sup> Ching-Hua Chiu,<sup>2</sup> Tien-Chang Lu,<sup>2</sup> Hao-Chung Kuo,<sup>2</sup> Shing-Chung Wang,<sup>2</sup> Sameer Chhajed,<sup>3</sup> Jong Kyu Kim,<sup>3</sup> and E. Fred Schubert<sup>3</sup>
