IC 設計產業智慧資本與獲利能力關聯性研究：

台灣與美國實證

The Empirical Study of the Relationship between
the Intellectual Capital and Profitability in the
Fabless Industry in Taiwan and America

The logo of National Central University (NCU) is a circular emblem. It features a blue gear-like border with the year '1896' at the bottom. Inside the circle, there is a stylized representation of a building or a bridge, and the university's name in Chinese characters is partially visible.
